JANE CORWIN, TREASURER
NEW YORK REPUBLICAN FEDERAL CAMPAIGN
COMMITTEE
315 STATE STREET
ALBANY, NY 12210

Response Due Date
04/27/2011

IDENTIFICATION NUMBER: C00055582

REFERENCE: 30 DAY POST-GENERAL REPORT (10/14/2010 - 11/22/2010)

Dear Treasurer:

This letter is prompted by the Commission's preliminary review of the report(s) referenced above. This notice requests information essential to full public disclosure of your federal election campaign finances. **Failure to adequately respond by the response date noted above could result in an audit or enforcement action.** Additional information is needed for the following 11 item(s):

1. Commission Regulations require that a committee discloses the identification of all individuals who contribute in excess of \$200 in a calendar year. (11 CFR § 104.3(a)(4)(i)) Identification for an individual is defined as the full name (first name, middle name or initial, if available, and last name; initials for first and last name are not acceptable), complete mailing address, occupation, and name of employer. (11 CFR § 100.12) Your report discloses contributions from individuals for which the identification is not complete.

Further, the following entries appear on your report and are not considered acceptable: "Information Requested/Information Requested" and "Information Requested/civil engineer."

You must provide the missing information or clarify the information provided. If you are unable to do so, you must demonstrate that "best efforts" have been used to obtain the information. To establish "best efforts," you must provide the Commission with a detailed description of your procedures for requesting the information. Establishing "best efforts" is a three-fold process.

First, your original solicitation must include a clear and conspicuous request for the contributor information and must inform the contributor of the requirements of federal law for the reporting of such information. (11 CFR § 104.7(b)(1)) See 11 CFR § 104.7(b)(1)(B) for examples of acceptable statements regarding the requirements of federal law.

Second, if the information is not provided, you must make one follow-up, stand alone effort to obtain this information, regardless of whether the contribution(s) was solicited or not. This effort must occur no later than 30 days after receipt of the contribution and may be in the form of a written request or an oral request documented in writing. (11 CFR § 104.7(b)(2)) The requests must:

- clearly ask for the missing information, without soliciting a contribution;
- inform the contributor of the requirements of federal law for the reporting of such information, and
- if the request is written, include a pre-addressed post card or return envelope.

Third, if you receive contributor information after the contribution(s) has been reported, you should either a) file with your next regularly scheduled report, an amended memo Schedule A listing all the contributions for which additional information was received; or b) file on or before your next regularly scheduled reporting date, amendments to the report(s) originally disclosing the contribution(s). (11 CFR § 104.7(b)(4))

Please amend your report to provide/clarify the information or provide a detailed description of your procedures for requesting the information. For more information on demonstrating "best efforts," please refer to the Campaign Guide.

2. Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule(s) B of your report to clarify the following description(s): "FEA generic GOTV." For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

3. Schedule B supporting Line 30(b) of your report discloses a payment(s) for "FEA - exempt mail H0NY13074," "FEA mail" and "FEA - exempt mail H0NY19139," which is categorized as Federal Election Activity and therefore, may require the disclosure of the candidate(s) this activity should be attributed to. Expenditures and disbursements for public communications that refer to a clearly identified candidate for Federal office and that promote, support, attack or oppose any candidate for Federal office, meet the definition of Federal Election Activity under 11 CFR §100.24 and should be disclosed on Schedule B for Line 30(b) along with the identity of the candidate(s).

Further, please be advised that public communications that meet the definition

of Federal Election Activity and that also contain express advocacy as defined under 11 CFR §100.22, but do not meet the conditions of exempt activity, would constitute an in-kind contribution, an independent expenditure or a coordinated party expenditure and should be properly disclosed on a Schedule B, E or F supporting Lines 23, 24 or 25, as appropriate rather than on Schedule B for Line 30(b). Please clarify if this activity meets the definition of Federal Election Activity or if it contains express advocacy and amend your report to properly disclose this activity, if necessary.

4. Itemized disbursements must include a brief statement or description of why the disbursements were made. Please amend Schedule(s) H4 of your report to clarify the following description(s): "political consultanting." For further guidance regarding acceptable purposes of disbursements, please refer to 11 CFR §104.3(b)(3).

5. Please amend your report by providing the purpose for each disbursement itemized on Schedule(s) H4 supporting Line(s) 21(a).

6. Schedule A supporting Line 12 discloses a transfer(s)-in from the "NRCC." Schedule(s) B supporting Line 30(b) reflects payments for "FEA mail," "FEA - exempt mail H0NY13074" and "FEA - exempt mail H0NY19139." Please be advised that a state or local party committee may pay for campaign materials (such as bumper stickers, pins and yard signs) that are distributed by volunteers in connection with activity on behalf of the party's nominees in a general election and voter drive activity on behalf of the party's Presidential and Vice Presidential nominees. Payments for this type of activity are exempt from the definition of a contribution or expenditure if certain conditions are met. The conditions are that no public advertising may be used, including distribution by direct mail (mailings by a commercial vendor or from commercial lists); all funds used for the activity must be permitted under the Act; none of the funds used may have been designated for a particular candidate; and finally, payments for the activity may not be made from transfers-in from the national committee to specifically fund the activity. For further guidance, please refer to 11 CFR §§100.87 and 100.147 and to the Campaign Guide for Party Committees.

Please clarify the nature of the transfer(s)-in and subsequent payments for the aforementioned disbursement(s). If the activity disclosed on your report does not meet the definition of "exempt" activity as described above, any portion of the expenditures made on behalf of specifically identified candidates must be disclosed on Schedule B, E or F supporting Line 23 or 30(b), 24 or 25 of the Detailed Summary Page as appropriate.

7. Schedule H4 of your report discloses a reimbursement(s) to an individual(s) for apparent travel and subsistence advances in which the total amount reimbursed exceeds \$500. When the reimbursement amount to staff for travel and subsistence advances exceeds \$500, the payments by committee staff that make up the reimbursement have to be itemized as memo entries regardless of the amount. Each memo entry must include the complete name and address of the original vendor, as well as the date, amount and an adequate purpose. Please amend your report to include the missing information and clearly identify on the Schedule H4, which reimbursement each memo entry relates to. 11 CFR §§104.10 and 104.17, and Advisory Opinion 1996-20, footnote 3

8. Schedule H4 discloses reimbursements to individuals totaling \$1,546. However, the sum of the memo entries provided identifying the original vendors associated with these payments total \$1,939.75. Please amend your report to clarify this discrepancy.

9. Please clarify all expenditures made for "event meeting" and "event meeting/food" on Schedule H4. If a portion or all of these expenditures were made on behalf of specifically identified federal candidates, this amount should be disclosed on Schedules B, E, or F supporting Lines 23, 24, or 25 and include the amount, name, address and office sought by each candidate. 11 CFR §§104.3(b) and 106.1

Alternatively, if the payment(s) on Schedule H4 is associated with fundraising activity conducted for your committee's federal and non-federal accounts, it must be allocated according to the funds received method and the ratio reflected on Schedule H2. Further, it must be categorized as a fundraising activity on Schedule H4. Please provide clarifying information regarding the nature of this transaction(s) and amend your report(s) as appropriate.

10. For future reporting, please be advised that only contributions to federal candidates and political committees should be itemized on a separate Schedule B supporting Line 23 of the Detailed Summary Page. Contributions to non-federal candidates and committees should be itemized on Schedule B supporting Line 29.

11. Schedule B supporting Line 21(b) of your report discloses a payment(s) for "FEA absentee ballot mail" which appears to be disclosed on the wrong line of the Detailed Summary Page. Please be advised that Voter Identification, Generic Campaign and Get-out-the-vote activity conducted in connection with an election in which one or more candidates for Federal office appear on the ballot is considered to be Federal Election Activity. 11 CFR §100.24 Please
